

School Article 4 – REA Collective Bargaining Agreement

If the CBA for REA described in Article 3 does not pass, this Article will allow the School Board to call one special meeting to address cost items in the CBA between the School Board and REA.

A **YES vote** allows the School Board to call a special meeting to address cost items in Article 3.

A **NO vote** does not authorize a special meeting.

Reasons why some voters might vote yes:

- To give the School Board the opportunity to renegotiate the contract and then present it to the voters at a special meeting

Reasons why some voters might vote no:

- To avoid the costs of a special meeting
